

# Ultimate Noosa

Elysium Noosa is a world-class community of unique and inspirational architecture. Set within the last piece of land in Noosa Heads approved for residential development, Elysium Noosa is quite simply the ultimate address.

Elysium Noosa is truly a defining moment in Australian architecture. The best architects, landscape designers and community planners have collaborated to create a place where no two houses are the same and every single one is a masterpiece.

Stage 1, featuring 41 amazing homes, is selling now from \$1.25 million to \$2.65 million. Your home can be secured by deposit for final completion in 2006.

The on-site Sales Office is open by appointment only.
